⁺A single site is defined as a localized site (one geographical location) for one institution that is under a single administration, such as a campus of a university located in one city. A government or corporate entity located on an academic campus is considered a separate site. If you are not sure if your institution qualifies as a single site, or if you wish to inquire about a multi-site or consortia license, please contact the Content Licensing Manager at mgr.subs@aai.org

*FTE: full-time equivalent of faculty, students and employees
